Motion For

I Bernetta Lashay Willis is Filing This Motion on my Behalf. Because I do not have Counsel Representing me, My Attorney Valerie Smedly Said She will not be doing nothing Else in my case unless She Receive more money which i can't Afford to pay her. My Motion is For Re-trial because the Attorney on my case did not prepare me for my trial because she didn't get paid. So i went to trial unprepared And got Found Guilty and Not Guilty, But i don't know what on because she didn't Explain to me or Nothing. All i know is it was lack of Evidence to Find me guilty. I Really didn't understand what was going on At my trial because my Attorney never went over my case with me the only time i ever seen my Motion Of Discovery was At trial And i Still didn't have time to Read it or look over it i was trying to Read certain thing during the trial, And Ms Smedly Wouldn't let All my witness testify on my Behalf. All i know it seems like i was a piece of Raw meat got Thrown in some hot grease! I need A New trial And the only Reason I'm Filing my own Motion is because I do not have An Attorney to do it for me And i know it's A time limit. I mean during my trial Ms. Smedly was telling me i need to tell my Family to pay her.
